## Homecoming comes with special meaning for Lodge Administrator

**BRUCE SNIDER, ADMINISTRATOR**

I recently returned from Mooseheart and the homecoming festivities where several of the members of the Woodward Lodge No. 452 helped prepare a meal for the Mooseheart Alumnae Association members attending homecoming.

Also invited to this meal was the varsity team members consisting of boys' and girls' soccer teams and cross country track teams.

The second day, a meal of ribs and fixings were prepared and served to not only our boys and family teaches from the Antoinette Marinello home, but basically the entire campus, including staff, students, and members from Moose International.

What a great showing from your lodge and other lodges throughout the state association and the Pennsylvania Moose Association! Moose proud!!

# Making an IMPACT

**KIMBERLY KELLY, EDITOR**

As we brace here in Florida for the impact of Hurricane Ian, it makes me think about the impact we make on Mooseheart, Moosehaven, and our local communities.

Have you ever really stopped to think about it?

We impact the children at Mooseheart by providing a home-like environment and the best possible training and education.

In addition to a regular educational curriculum, students also learn a vocational trade such as Computer Education, Business Education, Auto Mechanics, Commercial Music, Co-Op, and Cosmetology.

We impact our seniors at Moosehaven with a full range of programs and services that we provide.

We also impact our local communities

in ways we may never fully understand.

I was recently told a story of an expectant mother who was sitting outside of a children's hospital, obviously distraught.

The Moose member was making a donation delivery to the children's hospital and asked the woman what was wrong.

She shared, in broken English, that she was expecting a girl. Well, three girls to be exact.

The member knew there were baby blankets in with the donations and immediately took out three blankets for mother.

The mother cried. The Moose member cried. IMPACT.

# Volunteer opportunities available

Lodge members and students encouraged to help

## NICK SHROUT, PRESIDENT

Thank you to everyone who helped with state darts from setup to tear down and all the meals in between.

I also want to thank all those who helped cook and serve the other meals we have done recently.

WE could not do it without support of our volunteers.

Speaking of volunteers, we will have several opportunities for YOU to volunteer this month.

Don't just think only members can volunteer if your child is needing hours for groups like National Honor Society have them come out and volunteer and I will be glad to sign off on hours

for them.

We start October off with Steak night followed by critter races and the smoker raffle.

We will be hosting the Moose Legion Celebration October 14-16.

This is a great time to volunteer as most of our regular volunteers will be in meetings and are not able to help like they always do.

If you are new to the Moose, or have never seen the ritual team, join us on October 24 for enrollment.

To end the month we are having a Halloween party on the October 28.

Stay tuned to our Facebook page or come out to the lodge for more details.

EVENT OPEN TO MEMBERS AND QUALIFIED GUESTS

from **ADMINISTRATOR**, page 1

Friday, I attended the Senior year book presentation and pep rally.

If only all of our members could see what your 13 cents a day (your dues) provides for these children in need. A school of their own.

They may be small but there is not loss for spirit all because of what you the member provide. Thank you again.

As I was leaving the pep rally, I walked through the grade school and found a plaque that was on a classroom.

Let me back up a few years. I think it was 2013.

There was a fundraising drive to remodel the Mooseheart grade school and middle school.

Each lodge, Moose Legion, state Associations, etc. were asked to help sponsor class rooms.

While most of the room sponsors were Moose Legions and State Associations, there were only two Moose Lodges (out of then, approximately 1,600 moose lodges) that pledged the funds to completely sponsor a

classroom.

Your Woodward Moose Lodge was one of the two lodges to step up to the plate. We pledged and met that pledge of \$25,000!! Only two lodges out of 1600 completely funded classroom renovations.

As I was walking down the hall of the grade school this past weekend, I was reminded of this great deed your Woodward Moose Lodge did for our kids at Mooseheart.

On the wall of classroom number 115, which is a music room, was a plaque that read "Gifted by Woodward Moose Lodge No. 452"!

**On the wall of classroom number 115, which is a music room, is a plaque that reads "Gifted by Woodward Moose Lodge No. 452".**

My heart was full as tears came to my eyes. This is why we do what we do.

This is why we drove 1700 miles to cook for our kids and celebrate their school homecoming.

This is why all members should continue to pay your dues.

It is not about the Social Quarters nor the darts nor the pool games.

It is about these children we feed, clothe, educate and love.

**Please join me in celebrating what your Moose Lodge has done in the past and will continue to do in the future, with your help for our children at Mooseheart and our seniors at Moosehaven.**
