A Word from the Governor

Welcome to a New Moose Year. First, I would like to thank all the brothers and coworkers who have stepped up and committed to serving on their respective boards in the coming year. Additionally, I am looking for individuals to chair or serve on one of our committees. Second, a big thank you to all the members on last year's Board of Officers of both WOTM and LOOM for your serve to the Moose

The last few years have been a challenge for the Woodward Lodge and all the lodges in the Oklahoma Southern Kansas Moose Association. The downturn in our local economy and across the state has been a big factor. If you have been coming out to the lodge over the years, I am sure you have noticed more empty seats. Other issues are also compounding the problem, younger people today are less interested in joining an organization and we have not marketed the Moose well in our community as a result we are not signing many new members.

Although some of these issues we cannot address, a few we can. I am proposing we have more open to the public events, particularly to start with three relatively large events during the next year. Two of these events would be for our benefit and the third benefiting a local community service project or organization. This would get our name out in the community. In

order to do this successfully, we need your help in several ways. We need ideas for the event, planners for the event, volunteers to help work the event, help getting the word out about the event and your participation at the event.

We also need to broaden our activities at the lodge. Again, we need your assistance, what activities or services would you like to see and participate in at the lodge. Yes, as with open to the public events they do not happen without planners, volunteers and participants.

We are all going to need to change. We as a Board of Officers are going to seek out your thoughts and desires more and we ask you to help us by voicing some ideas, volunteering a little of your time and coming out to the lodge. Yes, we know you cannot do everything but volunteering an hour or two a month, visiting the lodge or social quarters a little more often or letting the officers know what is on your mind, will make a huge difference. Perhaps broadening our activities, events and services will make you want to become a little more active in the Moose.

Finally, invite someone out to the lodge and invite them to join the Moose.

Fraternally,
Don Parella

Moose Legion Update

Hello Moose Legionnaires

The Moose Legion mission is to have fun while providing greater service to the Moose Fraternity. Once you become a Moose Legionnaire you now have an opportunity to seek the fraternal advancements that lay ahead. By showing up and getting involved in the support of the Moose programs, a Moose Legionnaire can strive to reach a level of service that merits advancements to the Fellowship and Pilgrim degrees. Across the Moose Fraternity there are thousands of Moose Legionnaires, but few Fellows and even fewer Pilgrims. However, you must not forget that being a Moose Legionnaire you already have a degree, the degree of service. If you are waiting for some-

one to call you to help out or to get involved... your advancement to the higher degrees of our order will be slower in coming or it may never happen at all. The initiative that you take in support of you lodge and the fraternity itself will be noticed by others. Volunteering along side other members will show that you are willing to be a part of a team, because we all know that a burden heavy to one, is borne lightly by many.
