Chapter 2121

June 2019

Saturday May 18, 2019 mark the 16th Annual Blessing of the Bikes at Mooseheart. Mother nature came through also providing a beautiful sunny day with a high of 80 degrees. The gathering of bikes begins at 8AM and includes a bicycle parade by the children of Mooseheart, a motorcycle parade by the participants and culminates with the blessing of the bikes in front of the House of God. The event also features a Founders Day Party the night before. This event attracts 150 - 200 Moose Riders from all over the country, includ-

groups support.

In 2004, a small group of motorcycling members from the Lombard, IL Moose Lodge #2350 made a pilgrimage to the House of God on the Mooseheart campus to have their motorcycles blessed for the upcoming riding season. The Mooseheart Bike Blessing was born, and since then hundreds of "Moose Riders" from all over the country and the general public have attended this growing annual event. Funds raised during the blessing and ride benefit the children of Mooseheart.

ing California, Texas, Florida, Connecticut and many Midwest states.

The Mooseheart Bike Blessing & Run is the centerpiece event of International Moose Ride 4 Kids Day. Ride 4 Kids Days are different Moose Riders fundraising events held by local Moose Rider activity groups throughout the season. The events may include Poker Runs, Pledge Runs, Raffle Runs, Hog Roasts, and Rides with Biker Olympics competitions, Timed Skills Rallies, or any other motorcycle themed event that can be used to collect donations for Mooseheart Child City & School and other legitimate children's charities that Moose Rider

In the past, there has been some discussion of forming a Moose Riders group in Woodward. If you have some interest in this please talk to an officer or email lodge452@okmoose.org

A Word from the Governor

First, on behalf of myself and my family I would like to thank my Moose Family for your support and prayers over the last couple weeks.

I am still looking for individuals to serve on some committees particularly the activities committee and special events committee. I would welcome involvement in these two committees by both LOOM and WOTM members. If you are interested in serving, please let me or another officer know.

This year's Membership Theme is "Create Our Future" and is meant to focus our members on what we need to do today to ensure the future of the Moose Fraternity. On the local level we need to offer more and more diverse activities at the Lodge. Some ideas I have heard so far are horse-shoe and shuffleboard tournaments, activities for children or that include children. We are also discussing add-

ing a couple of more meal nights or food serve to our weekly calendar. We also need to communicate better to both our members and the community the community service activities we are involved in.

Why is this important. We need to have a Lodge that has members involved; and food, activities and community involvement help get people out and participating. The bottom line is our future is dependent on membership and if you are participating in our programs then you will likely invite a friend, relative or associate to join. So, if you have any things you would like us to try see an officer or email lodge452@okmoose.org

Fraternally,
Don Parella

Moose Legion Update

Hello Moose Legionnaires

Last month I talked about the higher degrees of the order and added a few ideas for those members wishing to attain those degrees. I mentioned that it will be YOU, striving for those degrees that will help you the most. If you are waiting for individuals to call and ask for you to get involved, those coveted degrees may never come.

At the end of last month's message, I also mentioned being part of a team. The lodge is run by a team! All of the activities and functions that happens in and in the name of the Moose, gets approved by the lodge officers. The Moose Legion Lodge committee works well with the board of officers inside our lodge, and we consider ourselves very lucky in that regard.

Getting involved means coming to the meetings and knowing what is going on and learning how to help. If you have a great idea on something

you want to do or something you would like to see happen at the lodge, make sure that you bring your ideas and information to the lodge officers. We also believe that the more Moose Legionnaires that are involved in the day to day activities the better our lodge will be. Those day to day activities could be as simple as being part of a group that cooks some fish or something else for a lodge activity. Of course, while being part of that group of members, there could be a few adult beverages being enjoyed during those activities. There inlays the fun, enjoying friends and beverages while still participating in a function of the lodge or in the name of the lodge.

Sooner Moose Legion Vice President
